Hello Lea Fischer,
We are pleased to share with you the results of your work at our Center.
You attended three courses over three days. These are your results:

Course	Feedback
Carpentry	You seem to have a basic understanding of the subject
Botany	You seem to understand the subject but lack passion or interest in the matter
Culinary	You show a great passion for the course and show promise if you pursue this

At our Center we believe everyone has a passion and talent and we strive to find and nurture that talent with you along the way.

Thank you for joining us. We hope we were able to help you and look forward to seeing you again.

Kind Regards,

Your Team at BildungsZentrum
